

A helping hand when you need it most

Your One-to-One Personal Support

We believe good protection is about more than just money

That's why all our protection policies bought through a Financial Broker come with Helping Hand – a comprehensive and personal support service.

It's available to use from the day your policy starts – not just when making a claim. It doesn't cost anything extra to use and your partner and children can use it too.

If you ever suffer a serious illness, injury or bereavement, it provides you with the additional support you might need beyond a financial payout.

We work with a company call RedArc who'll give you access to the support of a dedicated nurse. They'll provide tailored and personal support whenever it's needed, for as long as it's needed.

Whether you need to speak to someone or access specialist services, you'll always speak to the same person.

And once your support from your RedArc nurse starts, there's no limit to how often you can speak to them.

To help speed up recovery, specialist therapy may also be provided through Helping Hand, such as:

- ➔ Bereavement Counsellors or
- ➔ Speech and Language Therapists or
- ➔ Face-to-face second medical opinion or
- ➔ Complementary therapies or
- ➔ Physiotherapy for serious health conditions or
- ➔ Many others according to nurse assessment.

These extra specialist therapies are only provided if recommended by your personal RedArc nurse and are limited to one type.

So, when you take out a policy with Royal London, we'll protect more than just your finances – we'll give you a Helping Hand.
